"The Church of Jesus Christ of Latter-day Saints increased nine per cent in membership in 1953, the greatest percentage gain of any church, the next nearest figure being four per cent," declared Elder Young.

He told of recent mountain climbers in the Himalayas who reached the long-sought peak. When there, one man engaged in prayer while the other was busy checking the oxygen supplies. So likewise man always needs the spiritual as well as the practical.

"Don't overbuy, don't become in bondage," counseled Elder Young regarding excessive debt for nonessentials.

President Murdock Quotes Pres. J. Reuben Clark, "You cant teach a man the gospel on an empty stomach," and applied this.
